(IV) G.O.No. Mis. 2770 (Revenue) dated 22nd Dec.1936.

Reference.

The attention of the Collector of South Kanara is invited to the G.O. read above and he is requested to instruct the Special Loans Officer to close the work in the district by the end of the holidays and report himself for duty as Special Loans Officer to the Collector of Coimbatore on 4th Jan.1937. The records and registers of the Special

Loans

Loans Officer should be handed over to the Collector. The items of work pending should be attended to and finished by the Revenue Divisional Officers concerned. For this purpose it is necessary to notify them as Special Loans Officer under Rule IV of the special Loans rules. The Collector is accordingly requested to submit a notification at once specifying the Revenue Divisional Officers who should be so empowered and the areas within which they should exercise the powers of the Special Loans Officer. The necessary part of the special staff now working under the Special Loans Officer may be retained till the completion of the remnants of work and the rest disbanded.

2. The attention of the Collector of Coimbatore is invite to paragraph 3 of the G.O. read above and he is requested to submit proposals <u>at once</u> regarding the areas in which the scheme should be started. The work should first be started only in four selected firkas. In selecting the firkas the Collector should take the following points into considerarion:

(1) The firkas should be contiguous though all the four firkas need not necessarily be in the same taluk. This will avoid unnecessary touring of the Special Loans Officer.

(2) The areas selected should <u>as far as possible</u> be those not served by Land Mortgage banks.

The Collector should also suggest a suitable head-quarters for the Special Loans Officer which should as far as possible be centrally situated in the firkas in which he is to work.

The Special Loans Officer will have the assistance of four Revenue Inspectors ~~and~~ Rs. 30-55 (one for each firka) and four clerks in the lower grade and seven peons (one for each Revenue Inspector and 3 for the Special Loans Officer). The Collector is requested to select and keep ready the persons to be appointed to these posts. The Collector's attention is invited to paragraph

6 of the Executive instructions appended to the Special Loans rules (copy enclosed) and he is requested to suggest the names of suitable non officials one or more for each firka who will assist the Special Loans Officer in scaling down debts. The non-officials selected should be men of influence in the firkas and with some status. Only those who are willing to work without travelling allowance should be selected. The qualifications of the gentlemen should also be reported along with their names.

3. Copies of the several instructions issued by the Board and the Govennment from time to time regarding the working of the scheme will be forwarded to the Collector separately.

Jambunatha Ayyar Avl. M.R.Ry.,T.S - Special Loans Officer, Salem - President, Debt Conciliation Board, Coimbatore - Deputation.

I am in receipt of your telegram dated the 27th instant regarding the feasibility of deputing M.R.Ry.,T.S Jambunatha Ayyar Avergal, Special Loans Officer, Salem, as President, Debt Conciliation Board, Coimbatore, in addition to his duties. I have consulted Mr.Jambunatha Ayyar and I send herewith a copy of his remarks. It is personally convenient to Mr.Jambunatha Ayyar to be permitted

permitted to go to Coimbatore once a week as his family stays there. But it doubtful whether with such regular visits to Coimbatore, his work in this district will not suffer. Hence if experience shows that he is unable to do the amount of work expected of him in this district as Special Loans Officer, the arrangements will have to be terminated. Mr.Jambunatha Ayyar told me sometime back - that he would be taking leave about April as he should retire about August. If it is possible to post Mr.Jambunatha Ayyar to Coimbatore he can conveniently work as the President of the Debt Conciliation Board while he is on duty in the Revenue Department and then continue in an unofficial capacity as the President. If this is not possible, the suggestion of the Board may be given effect to, subject to the arrangement being terminable if experience shows it to be necessary. 11 A

I am in receipt of your endorsement R.O.C.121/36 -Camp dated 27-12-36, asking me for my remarks on the proposal to depute me as President of the Debt Conciliation Board in the Coimbatore District, in addition to my own duties in Salem. I think I can manage this additional work so long as I am not called on to give more than a day or two in a week for it. If the work of Debt Conciliation Board increases in volume and I am unable to cope with it within the limited time at my disposal, I should be permitted to make representations to that effect with a view to being relieved of it.

From A.D.Crombie Esquire, C.I.E., I.C.S., Collector of South Kanara, Ref.No.3975/36-B2 dated 16th January '37.

Advances -- Loans - Relief of indebtedness - Scheme - Closing of the work in South Kanara - Orders solicited.

-11 14-15

I submit herewith a copy of a letter dated 5th January 1937, received by me from the Secretary of the Land holders' Union, Kollamogru, requesting that the special loans staff may be retained in this district till at least the end of March so that all the villages of Sullia firka may get an opportunity to obtain relief under the scheme. Some of the residents of the villages of Sullia firka have also submitted to me a petition to the same effect. I enclose a list furnished by the Special Loans Officer of the applications received by him after 1-1-37, which

which he has kept with him unregistered. The Government have informed me in their telegram dated 25th December '36, that the Special Loans Staff may continue in this district after 31st December 1936, and in my telegram dated 26th December I have stated that he can dispose of pending applications by the middle of February; but I have not yet received orders regarding the date on which the Special Loans Officer, South Kanara, should close down the work.

113-4 N2

¶ 7 above

In view of the number of applications presented to the Special Loans Officer in the past fortnight, I submit that it will create a very unfavourable impression if they are not dealt with and I strongly recommend that the work may be continued till 31st March 1937. The progress report for fortnight ending 15th January 1937 which I have just seen shows that Rs.11,810 was disbursed and the scaling down was 29%. I request that orders of Government in the matter may be obtained and communicated to me at an early date.

Letter from the Secretary, Kollamogru Land Holders' Union, dated 5th January. '37, to the Collector of South Kanara, Mangalore.

It has come to the knowledge of this Union that the Special Loans Establishment is going to be abolished by the end of this month. The circumstances necessitating the

15 (8)

the abolition of the establishment are not known. This department has begun its work in the Sullia Firka quite recently and the work of granting loans has been commenced only in a very few villages out of the ~~88~~ 33 villages of the firka. There are more than over 200 persons in the firka who can and are eligible to get itself under the scheme. It will therefore be a real hardship if the loans establishment is abolished within so short a time. In fact the ryots of many of the villages of the firka have yet to know the rules regarding the grant of loans and then apply for relief. Under the circumstances I would request you to be kind enough to entertain a compassionate view of the heavily indebted ryots of this firka and to move the Board for the retention of the establishment for at least till the end of March next so that all the villages of the entire firka may get an opportunity to obtain relief under the scheme.

Loans -- Agriculturists' Loans Act 1883 -- Amendment -- Loans for the relief of Rural indebedness -- South Kanara -- proposal to remove the Special Loans officer to Coimbatore -- Trunk Telephone message fro Collector, S. Kanara Dt.

I have just received a Trunk telephone call from the Collector S. Kanara Dt. asking whether it is not possible to postpone the transfer of the Special Loans Officer to Coimbatore in view of the great improvment in loans work which has been noticed recently in the District.

The Collector points out that so far this month a sum of Rs 13,000/- has been disbursed, and applications, which appear good, have been received for a further amount of Rs 30,000/- and that if the loans work is suddenly closed down on 31.12.36. it will cause great disappointment in the firkas in which the scheme is at present working.

In the circumstances, perhaps the transfer of the officer might be postponed for a month or 6 weeks, as it seems undesirable, in view of the circumstances stated, to close down the work in S. Kanara so suddenly.

The remarks of the Secretary, Home Dept. are invited before circulation

In the circumstances stated by the Coll. of S. Kan. I do not think we should be justified in pressing the present arrangement. Perhaps the official officiating at Salem could go over to Coimbatore occasionally

South Kanara Collector's Office,
Mangalore, dated 26th December 1936.

My dear Muir,

Your D. O. No. 652 dated 22nd December 1936 regarding the closing of the special loans work in this District came as a considerable surprise, especially as the Special Loans Officer's report for the first fortnight of December had shown such marked improvement. The Special Loans Officer came to see me and pointed out that he had disbursed Rs.13100 already this month and had about Rs.30,000 applications pending enquiry. There seemed to me a strong case for continuing the Special Loans Officer in this District, and as it was a holiday, I got through to Uzielli direct on the telephone. I have received a telegram from him allowing the Special Loans Officer to continue till the pending applications are disposed of.

There is one aspect of the matter I should like to place before the Board and Government and that is the political effect of closing down this work on the eve of the elections. There will be great disappointment in the four firms now being worked when it is known that no more applications will be received, and this will form a convenient handle for the Congress to use against the Government for election purposes.

The Special Loans Officer says he can finish off these firms completely by the end of March and disburse almost all his allotment, and I would respectfully request Board to move the Government to permit him to do so if possible. As the grounds for the proposal are unusual, I am writing it by means of a D.O. instead of an official reference.

I shall be in Madras the day after tomorrow for the remainder of the holidays and can see the Board Member, if necessary then. I shall be staying at Government House.

Yours sincerely,

To D.I.R.Muir, Esq, I.C.S.,

Please see the D.O. from the Collector of S. Kanara District at page 9 above..

The Collector appears to want the S.L.O. to be retained not merely to deal with pending applic-ations but also to continue to receive fresh applicat-ions.

To enable a Debt Comciliation Board to be set up in Coimbatore, it was proposed when the S.L.O. S. Kanara. was permitted to remain there after 1.1.37 that the S.L.O. Salem should go periodically to Coimbatore to do Debt Conciliation work.

The Collector of Salem who has been consulted has suggested that the present S.L.O. Salem (Mr.T.S. Jambunatha Ayyar) who is due to go on leave preparatory to retirement in April should be posted as Headquarters Dy. Collector Coimbatore and start Debt Conciliation B d work there during the few months remaining during which he will remain in service, and after he has gone on leave p.r. he should ~~remain~~ continue as non-official President of the Board. This would obviate the necessity of combining Debt Conciliation Board work and special loans work in Coimbatore in one

officer, and would also obviate the necessity of inter-fering with special lāns work either in S. Kanara or Salem for the present.

I understand that Mr Jambunatha Ayyar belongs to Coimbatore Town and is building a house there, but I doubt whether this would much matter when he only has a few months more to serve. According to the Half yearly list of Dy. Collectors Jambu-natha Ayyar attains the age of 55 on 22.5.37. (he was born on 22 nd April 1882)
